

# A Refuge of Hope and Healing

The New Life Refuge Ministries **Home of Hope** is a long-term care program that provides a safe home-like environment where child survivors of sex trafficking can transition into healthy lifestyles. We provide family style living with loving house parents on a secure, rural campus. Each resident is given a treatment plan that best fits their individual needs.

## Specialized Counseling

provides the tools needed to cope with complex PTSD and other issues that result from being trafficked.

## Life Skills Training

allows residents to learn the needed skills to transition into healthy lives and our on-site school provides a safe learning environment.

## Creative Therapies

such as art, drama, dance, music, and equine therapy are also offered as part of the healing process.

### WHAT IS CHILD SEX TRAFFICKING?

Human Trafficking is defined by the U.S. Government as: "The recruitment, harboring, transportation, provision, or obtaining of a person for labor or services, through the use of FORCE, FRAUD or COERCION for the purpose of subjection to involuntary servitude, peonage, debt bondage, or slavery."

If victim is under the age of 18 years old, human trafficking is defined as the exchange of ANYTHING of value for sex.

Victims often suffer torture, sexual abuse, imprisonment and starvation and need specialized treatment for their trauma.

Call the **National Human Trafficking Hotline** to report suspicious activity and to get resources and help for victims.
