Simply put, January is Human Trafficking awareness month. We are launching this campaign to raise and spread awareness about the incredibly prevalent global issue of human trafficking. We challenge you to share, repost, retweet and spread each day's posts in order to help us accomplish our goals.

We each have a circle of influence that we can impact. By reposting each day, you are showing your friends that you have become a freedom fighter for those currently in captivity. This pdf will serve as your source for all the facebook post and twitter updates for the whole month. You can also just re-tweet or share status and tweets from the great organizations & advocates below.

INSTRUCTIONS:

If a man has a hundred sheep, and one of them has gone astray, does he not leave the ninety-nine on the mountains and go in search of the one that went astray? And if he finds it, truly, I say to you, he rejoices over it more than over the ninety-nine that never went astray. So it is not the will of my Father who is in heaven that one of these little ones should perish. —Matthew 18: 12–14
